1. Effective immediately, Medical Operations Support (M3M) and Dental Operations Support (M3D) merged to become the newly formed Health Care Operations (M3H). 2. The Office of Homeland Security has been also realigned to become part of Fleet Operations Support (M3F).

3. These changes will be reflected in a forthcoming update to our Organizational Manual. Revised codes and points of contact will be published as soon as they are available. My point of contact is CDR D. P. Rogers, MSC, USN who can be reached at 762-3370.
